STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Citizens of Sidney:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Sincerely,

Paul R. LePage

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from 2015.

Growing the economy by encouraging job creation was and remains my top priority. The tax-relief bill signed into law at the close of last year contains three key provisions I authored to help foster job creation and provide small businesses with the certainty they need to invest, grow, and, most important, hire new workers. Another provision I authored that became law last year gives a boost to both Maine's economy and traffic safety. This provision permanently changed the federal law that previously had forced the heaviest trucks onto our country roads and downtown streets, rather than allowing them to use Maine's federal Interstates. In addition, I was glad to help secure another significant award for the University of Maine's deepwater offshore wind initiative, which has the potential to advance an emerging industry and create thousands of good jobs in our state.

Maine's historic contributions to our nation's defense must continue. In 2015, I secured funding toward a much-needed additional Navy destroyer, likely to be built at Bath Iron Works. Modernization projects at the Portsmouth Naval Shipyard that I have long advocated for were also completed, as were projects for the Maine National Guard.

I was also deeply involved in crafting the new education reform law to better empower states and communities in setting educational policy for their students. The law also extends a program I co-authored that provides additional assistance to rural schools, which has greatly benefitted our state. A \$250 tax deduction I authored in 2002 for teachers who spend their own money on classroom supplies was also made permanent last year.

As a result of a scientific evaluation of the nutritional value of potatoes required by a law that I wrote, the wholesome fresh potato finally was included in the federal WIC nutrition program. I also worked on other issues important to Maine's farmers and growers, including research on wild blueberries and pollinating bees.

As Chairman of the Housing Appropriations Subcommittee, I have made combating veterans' homelessness a priority. This year's housing funding law includes \$60 million for 8,000 new supportive housing vouchers for homeless veterans. Since this program began in 2008, the number of homeless veterans nationwide has dropped by one third. Maine has received nearly 200 vouchers to support homeless veterans.

Last year, I became Chairman of the Senate Aging Committee. My top three priorities for the committee are retirement security, investing more in biomedical research, and fighting fraud and financial abuses targeting our nation's seniors. I advocated for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. The Senate also unanimously passed my bill to support family caregivers. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance and has already received more than 1,000 calls.

A Maine value that always guides me is our unsurpassed work ethic. As 2015 ended, I cast my 6,072nd consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Sidney and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Augusta state office, (207) 622-8414, or visit my website at www.collins.senate.gov. May 2016 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

BUDGET

RULES AND ADMINISTRATION

Dear Friends of Sidney:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I co-sponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine's leadership on this important economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions I cosponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small business across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide-range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; cosponsoring a

Senate-passed bill that addresses mothers struggling with addiction and the alarming effect it has on newborns; cosponsoring the TREAT Act, which expands the ability of medical specialists to provide life-saving medication-assisted therapies for patients battling heroin and prescription drug addiction; and calling on the Commander of U.S. Southern Command to increase efforts to stop the flow of heroin at our southern border.

I like to think of Maine as a big small town – and in a small town, the leaders are accessible and eager to listen. In that spirit, I've made it a priority to stay connected with people from all over Maine who e-mail, write, and call with suggestions or questions. If I can ever assist in your interaction with a federal agency, or you have thoughts, concerns, or personal input on a matter that is currently before Congress I hope you will contact me, let me know where you stand, and engage in this critical part of democracy. Please call my toll-free line at 1-800-432-1599 or one of my offices: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.king.senate.gov/contact.

As always, I am honored to represent the people of Maine and look forward to working with you for the betterment of our great state.

Sincerely,

Dear Friends,

This past year—my first as your Congressman in the U.S. House of Representatives—I am proud to have supported Maine families, local businesses and communities by working hard with Republicans and Democrats to promote policies that will preserve and create jobs and lower energy costs. I have worked to ensure our Veterans and active military members have the services they have earned and deserve, protected the individual rights and liberties they have fought for, and strengthened our national security to keep Americans safe and free.

I have fought tooth and nail to protect and create jobs for Maine. I stood up against the Washington political establishment, including Congressional leadership, to oppose granting fast-track authority to the President, a policy that allows him to facilitate massive international trade agreements that are unfair to American businesses, especially those in Maine. I am also extremely proud to have led the charge in successfully ending unfair and job-killing Canadian subsidies and to win a major victory for Maine by pushing into law a provision that will continue the FDA's use of paper inserts, efforts that combined to preserve hundreds of traditional Maine papermaking jobs.

As a proud member of the Military Veterans Caucus, I have been fighting for our Veterans by supporting several bills to increase funding for Veterans' health programs and hold the VA accountable. I also am proud to have introduced my own bill—the Helping Our Rural Veterans Receive Health Care Act—to give our rural Veterans easier access to their earned health care services by letting local hospitals care for them instead of VA centers far from home. I extend my thanks to all who have served.

In this first year, I also had one of my own bills signed into law. My critical and bipartisan Child Support Assistance Act will help children and their families receive legally due support in a timelier manner from delinquent parents. My District offices also helped hundreds of Maine families resolve issues with federal agencies and get the answers, benefits and services they deserved.

There is much more work to be done. Our Great State and Nation face many critical challenges. Please know that I am working hard, every day, to serve you and that I will continue to work here at home and in Washington for our families, local businesses and communities.

If you ever have any concerns or if I can provide assistance, please contact my Congressional Offices in Bangor (942-0583), Lewiston (784-0768), Presque Isle (764-1968) and Washington, DC (202-225-6306), or visit my website at polliquin.house.gov. It is an honor to represent you and our fellow Mainers in Congress.

Best wishes,

CONGRESS OF THE UNITED STATES

Dear Friends,

I hope this letter finds you and your family well. It's an honor to represent you in Congress. Thank you for the chance to update you on my work there and in Maine.

Like many here at home, I find the current partisan environment in Washington and Congress to be very frustrating. Attempts to take away people's health care, weaken environmental protections, and stoke controversy have been put ahead of more meaningful work to create jobs, help people through tough times, and give our children a better future.

Still, I have tried to find opportunities to work on issues where my colleagues across the aisle and I can find agreement. As a member of the minority party, I'm very proud that these efforts have earned several legislative victories that benefit the people of our state.

One of the most significant was passage of a Farm Bill containing many reforms I introduced to help the kind of small, diversified, family farms that we have here in Maine. These included more funding to help these farms meet the growing demand for healthy local food, as well as better insurance to fit their needs and helping SNAP recipients use benefits at farmers markets.

Another bill I introduced was signed into law, initiating a study of the York River to see if it is a good candidate for the federal Wild and Scenic Rivers program. The classification would help protect this important natural resource while potentially bringing more visitors to the area and an increased amount of federal investment for its conservation. As a member of the House Appropriations Committee, I've worked to secure other investments for the state as well, including \$20 million to replace a crumbling, unhealthy and outdated tribal school in Washington County.

But not all the work I do is from Washington. My offices in Portland and Waterville assist hundreds of constituents every year who have issues with federal agencies and programs—veterans benefits, Social Security, and Passports among them. If you have a problem where I might be of assistance, I encourage you to call (207) 774-4019. My staff and I welcome the opportunity to serve you.

Again, it's a pleasure to represent you in Congress. Please keep in touch.

Best wishes,

Dear Friends and Neighbors:

I am so grateful and thankful that you've selected me to represent you in the Maine Senate. I am honored that you've put your trust in me and I will continue to work tirelessly for the betterment of you and your neighbors, as well as for the great State of Maine. Please let me provide you with a recap of the first session of the 127th Legislature as well as my hopes for the second session, which begins in January 2016.

The most important item on our to-do list is clear: our state needs more jobs at all levels of the pay scale, so it is our responsibility and my solemn promise to work to expand economic opportunity for all Mainers. To this end, my fellow legislators and I accomplished a great deal during the first session of the 127th Legislature.

We passed a biennial budget that ensured that more Maine families received a tax cut than did in the "largest tax cut in Maine history" in 2011. That same budget stopped taxes on military pensions, so those who have given all that a person can give can feel welcomed and at home in our state. We restructured portions of our welfare system, increasing funding for nursing homes, and put far more funding towards eliminating waitlists for services for brain-injured and intellectually disabled Mainers.

I'm really looking forward to watching how the significant changes we've already made will better the everyday lives of Mainers. I wanted to serve in the legislature because I believe that, while I'm here, I can have an impact on the direction of our district and state. Because of this belief, passing vital legislation (and, sometimes, stopping bad legislation) has remained one of my top priorities.

As you know, more changes are necessary. Next year, during the second session of the legislature, we need to make progress towards addressing the cost of energy in this state. There are a number of bills that have been proposed that would change the way our state's energy system works, and I look forward to putting my own energy into legislation that would lower your energy costs. I also believe that working to provide support to areas hard-hit by recent mill closings should be a focus of the 2016 session. Fighting the war of drugs here in Maine will also be a top priority for lawmakers. Several bills have been proposed that will aid officers in combating the drug epidemic taking place in Maine.

You have my humble and sincere thanks for allowing me to represent you in Augusta. Please feel free to contact me at 207-287-1505 or rkatz@lipmankatz.com if you have comments or questions, or if you would like assistance in navigating our state's bureaucracy.

Dear Friends & Neighbors:

May 2016 bring you and your family good health and prosperity!

With my stint in the Legislature drawing to a close, I wish to express my gratitude for the opportunity to be your voice in Augusta. It has been a sincere privilege getting to better know my constituency, and I have enjoyed working alongside so many of you in resolving difficulties encountered with Maine State Government. Your faith and trust in me has been encouraging, and I will leave the House of Representatives with an optimistic outlook that our best days are ahead.

As the statutory adjournment date of April 20 fast approaches, a number of pressing matters, including battling Maine's drug crisis, energy costs, human trafficking, and welfare reform, will require much negotiation and debate. With that said, we, as lawmakers, must be prepared to make some very difficult decisions....decisions to lay the foundation for a brighter future rather than ones merely to sustain the status quo. Should you have any questions, thoughts, or concerns with respect to these subjects or any other matter still to be considered, please do not hesitate to contact me.

In closing, I wish to thank the residents of Sidney for the honor and pleasure of serving you at the State House. Rest assured, my work is ongoing to make certain you, your children, and even your grandchildren are offered an environment free of an overzealous government, thus enabling the pursuit of the American Dream to continue.

Most graciously,

2015-16 Selectmen Report

The Board of Selectmen welcomed Tim Russell to the Board in 2015, replacing Doug Eugley. The Board would like to take this opportunity to thank Doug for his service to the residents of Sidney.

Also, please join us in welcoming Tammy Holt as our new Deputy Treasurer, Tax Collector & Clerk and Jonathan Mullen as the most recent addition to the Transfer Station Attendants ranks.

The town continues to be challenged by an ever changing economy and regulatory climate; however, the Select Board, Administration, and Town Departments are working diligently to stay abreast of these changes in a prudent and fiscally responsible manner.

2015 saw several paving projects completed – Tallwood Drive, the Town Office parking lot, and the Public Works access road. Road upgrades were accomplished in conjunction with paving projects.

As the town continues to grow, the Board is committed to confronting the demands of this growth and striving to meet the needs of the residents and Town, while at the same time attempting to keep the mil rate as low as possible.

At the 2015 Town Meeting approval was given for the Snow Pond Center for the Arts (New England Music Camp) to apply for a Community Development Block Grant, the grant was awarded and implementation was started. Though the process was somewhat of a challenge with both State and Federal entities being involved, we were able to put all the pieces into place and could not have done so without the hard work of our Administrative Assistant. As an added note, the Snow Pond Center for the Arts went on to apply for, and was granted permission by the State, to open a Charter School known as Snow Pond Arts Academy. They hope to open their doors to students in the fall of 2016.

In July the town was notified by Central Maine Recycling, LLC – Sidney's recycling vendor – that the company would be closing all operations by the end of September. The Board immediately evaluated new options in a hope to prevent any lapse in services. Prior to the end of September we were able to award a contract to Casella/Pine Tree Waste. The added benefit of this contract is the zero-sort feature, which means all accepted recyclables can be disposed of in the same bin; alleviating the need for residents to sort the various items. The Board encourages residents using the zero-sort feature at the Transfer Station to dispose of only those items

that are authorized for recycling. A brochure is available at the station or Town Office outlining permissible items to recycle.

The RSU-18 School Budget continues to represent taxation challenges. In 2015 the school budget accounted for 85.3% of Sidney's property taxes. According to state officials, we can expect to see an automatic 1% increase in the local share of revenue to be raised due to flat funding from the state, even before the RSU budget process begins.

There are several town committees with vacancies, and there are new committees being formed from time to time. If any resident is interested in serving on a board and/or committee, please contact the Sidney Town Office.

After many years of service Beth Golding has retired from the Cemetery Committee and Larry and Sandra Tibbetts have retired from administering the Sidney Food Cupboard. We wish to thank them for their hard work and diligence in service to the town.

This year has been a difficult one for the volunteers of the fire and rescue departments, as the Town endured the loss of life within our community. Their attendance at these events, as well as their care and concern for those involved, is valued by the Board and we wish to extend our deepest appreciation for their time and efforts.

Respectfully submitted,
Town of Sidney

**Cemetery Committee
Annual Report
December 7, 2015**

Under Warrant Article 19, voters at Town Meeting approved \$4,700 for cemetery maintenance. The Selectman approved a contract for headstone maintenance, however due to an unfortunate accident Gravestone Concerns was not able to do any stone repair this year. Recommendations were made to the Selectman for the removals of hazardous trees, fence placement, and repairs. The Selectman approved limb removal in Field Cemetery by Foster Tree and Landscaping LLC. Fence estimates were received for Bean Cemetery and a gate for Longley cemetery. The Selectman did not approve the initial fence repair due to high costs. The town crew put in the required fencing on the south and west side of the expanded lots in Reynolds Hill cemetery.

Thank you to the following volunteers that maintain some of our cemeteries: David Smith in Bangs, Tom Tillson in Lincoln and Leslie Bickford in Barton cemeteries.

With help of volunteers from the Sidney Historical Society, Veterans graves were decorated with American flags in time for Memorial Day recognition. Boy Scout Troop 401 hosted a flag burning ceremony, with residents dropping off worn flags along with worn flags from our cemeteries.

We continue to monitor tree conditions at least twice a year and following wind storms. Our tree maintenance efforts have resulted in preventing damage to ancient memorial stones. Though we are unable to prevent all damage.

We hope to have Tom Bigelow the town sexton, take training for cemetery repair so he can do more of our cemetery work.

We wish to preserve our heritage and maintain our ancestral graveyards in a manner that will make us all proud.

Respectfully Submitted,
Town Cemetery:

REPORT OF THE ANIMAL CONTROL OFFICER

Greetings from Animal Control,

2015 was another slow year for animal control related calls. There were a total of approximately 30 calls for service during the year. Most included stray cattle and very few stray dogs and cats. Fortunately there were no rabies incidents last year.

During 2015, I had several dog bite complaints with-in the towns I serve, including Sidney. There has been some confusion on how these types of situations are supposed to be handled. I'd like to take this opportunity to explain a few guidelines when making a dog bite complaint.

- If you have been bitten or threatened with assault by a dog, you have 30 days to contact, in writing, the Animal Control Officer or Police Department; i.e. Sheriff or State Police.
- If the assaulting or biting dog is on its own property when the incident took place, understand that only a bite report may be taken. No further action can take place, unless the dog has a documented history of biting and the incident was not provoked.
- Only a Judge can order a dog to be seized and/or euthanized. An Animal Control Officer does not have the authority to take your dog from your property unless a Judge has ordered said Officer to do so, or you as the animal owner give permission to do so.
- If you feel the situation requires an immediate response, please call 911. Remember that I am always on call and may not be in the area at the time of the incident.
- Try and reasonably obtain the dog owners name, address and phone number. Many times I have arrived on scene and a dog bite victim does not know who the dog or dog owners are. Remember that I cannot be a witness to your incident. Any information that you can obtain at the time of your incident will be helpful in filing your case.
- Lastly, if your dog is attacked by another dog, you, as the dog's owner or keeper, will be required to show proof of dog license and current rabies vaccination. Even though your dog may be the victim, you still can be summonsed for failure to license or vaccinate your dog.

For further information of Maine State Law regarding dangerous dogs, please visit <http://www.mainelegislature.org/legis/statutes/>, Title 7 section 3952.

-A reminder about stray cats.

Stray cats may be picked up. However, the stray cat must be contained or captured before an impound is made (i.e. garage, in a room, cat carrier or trap). Cats have free range in Maine and there are no laws regarding or preventing cats from running at large. Stray cats have also adapted to survive the winter weather and continue to breed every year. Please note that if you feed a stray cat for more than 10 consecutive days, you become the legal keeper of that cat and the responsibilities thereof. (MRSA Title 7 section 3907§16)

- Rabies Vaccinations and Dog License.

Maine state law requires that both cats and dogs are to be vaccinated against rabies, Title 7 section 3916. It not only benefits your pet, but you as well. By doing this, you are in part helping to keep the spread of Rabies and other infections down. A fine of up to \$100.00 can be issued to animal owners if their cat or dog is found to be unvaccinated. Also, Town ordinance and Maine state law require all dogs to be license each year, Title 7 section 3921. A fine of up to \$100.00 can be issued for an unlicensed dog.

If you have any questions regarding animal issues, animal law, or need advice with animal wildlife, please don't hesitate to call me. All though animal wildlife is not part of my animal control duties, I am a certified animal damage control agent with the Maine Department of Inland Fisheries and Wildlife. A fee may be charge for any trapping and removal of nuisance wildlife. However, if the animal is exhibiting signs of rabies, contact me immediately as this is an animal control related issue and needs to be handled right away.

I like to wish all and safe and happy New Year.

Thank you for your support.

SIDNEY FOOD CUPBOARD 2015 REPORT

The Sidney Food Cupboard has seen a slight decrease in the number of requests for food. In 2014, we had 284 requests and in 2015, we had 271 requests. In 2014, we fed 1,218 and in 2015, we fed 1,019 Sidney residents.

We received a grant from **Mid-State Machine Foundation** for \$2,500.00 this year. This Grant makes it possible for us to have so many different items of food on the shelves. We received 600 pounds of food from the **Postal Food Drive** in May. The **Boy Scouts, Girl Scouts, the Messalonskee Middle School, MHS Key Club, and the James Bean School** all continue to have great food drives in November; this helps us get through the holidays. The **Empty Bowl Dinner raised \$866.00** this year. Many thanks to Wendy Burton and Sue Perrino for all their hard work to make this fundraiser such a success. The **Middle Road General Store** gives us bread each week which the clients really enjoy. The **DND Disc Golf of Sidney** had a donation box at the golf course this summer and brought us food to stock the shelves with. At Christmas time The **Arnold Trail Rifle Club** gave a \$390.00 donation for food and bought presents for 12 children. Many individual donations were received from local families throughout the year. **Praise God!**

At Christmas time, the Tillson family had their family Christmas party and instead of exchanging gifts, they collected food for the food cupboard. What a way to celebrate Christmas. Helping those less fortunate than themselves, Sidney residents have always been willing to help their neighbors.

At the Annual Town Meeting, the voters of Sidney appropriated \$5,000.00 to be used to purchase food. **A great day for the Sidney Food Cupboard.**

We still receive food from USDA four times a year. **Marcoux Meat Shop** continues to work with us to keep our meet voucher program going. Our clients get a voucher for \$20.00 to buy meat each month. We also received \$2,000.00 from the **End Hunger Program from the Maine State Employee Credit Union**. Thanks to all who participated in the walk-a-thon, we couldn't have done it without you. The **teachers of the James Bean School** put together 7 turkey baskets that went to local families and the **Steven McFadden family** brought us 25 complete Thanksgiving dinners for Sidney families to enjoy. **God is so good, He takes care of those in need.**

After 18 years it is time for Larry and me to retire from this mission. It has been such a privilege to work with the people in Sidney who were in need of assistance. Each one was treated with respect and we protected their privacy. We have made some wonderful friends, we listened to their needs and helped in so many ways other than the food cupboard. We have bought tires for cars, helped put gas in cars, bought burners for stoves, delivered donated used washers and dryers, driven many people for doctor's appointments, plowed driveways, bought school clothes and supplies just to mention a few. We especially want to thank the Select Board and Sheila Thorne for all the support you have given us and thank you for trusting us with this program. It has been wonderful.

In Christ's Service

Larry and Sandra Tibbetts

The Officers of the Sidney Trail Riders Club would like to thank all its past and present members for your continued support. Volunteers have spent a lot of time and effort into rerouting and clearing trails this past year. There is a new trail that brings you to Middle Road General Store. The trails that have been rerouted are all newly marked, please look for the signage. We also sold two of our oldest sleds to another snowmobile club and the money collected from the sale was used to help assist in purchasing one new sled to help us groom and maintain our 31 miles of trails. As always remember to respect the land owners, and use caution.

Tonya Philbrick, Treasurer

SIDNEY HISTORICAL SOCIETY

Sidney Historical Society has had another productive year. Thanks to the efforts of Beth Golding, we held a successful yard sale in June. Monies received allowed us to buy a large TV which we use for programs. Our programs this past year have included scenes from downtown Waterville, a tour of Ireland, information on digitalization at the Maine State Library, and a very well attended program on the Bragg Homestead.

We continue to add to our collection, both at the museum and the research center. We have been able to purchase more genealogy books and we have had several donations of pictures, dairies, and personal papers. We are open every Tuesday afternoon from 1-4 and invite you all to visit.

Our website has attracted people from several of the states and we have been able to help them find out more about their Sidney ancestors. Check it out at sidneyhistoricalsociety.org.

The annual Sidney calendar, produced by Charlotte and Bill Sawtelle, has proven to be very popular. Copies of the 2016 issue are available at the town office or at the Grange on Tuesdays.

But our proudest accomplishment is the completion of the veterans memorial project. Thanks to generous donations from Larry Tibbetts and Snow Pond Music Center, we have finally raised enough money. The memorial has been ordered and we expect it to be in place by Memorial Day.

Spirit of America Foundation Tribute

The Spirit of America Foundation was established in Augusta, Maine in 1990. The Foundation honors individuals, organizations, or groups for volunteerism and commendable community service within Maine municipalities.

In 2015, Sidney awarded the Spirit of America Foundation Tribute to Jon and Maura Gammons for their tireless work on the Sidney Veteran's Memorial site and Shirley Bragg for her myriad of contributions to the Town of Sidney.

The 2016 Spirit of America Foundation Tribute awards will be revealed at the 2016 Sidney Memorial Day Parade.

If you would like more information on the Spirit of America foundation, please visit the Foundation's website at www.spiroaf.com.

Mailboxes

In the 2015 Town Report, the Sidney Highway Department included information for the correct installation and maintenance of mailboxes along roadways. We have included the Town of Sidney's Mailbox Policy for Sidney Roads in this Annual Report. Please find the mailbox information following this notice.

Snow in Roadways

The Sidney Highway Department would like all property owners to be aware of the safety and legal issues of putting snow in roadways and covering culverts. Due to many issues we have encountered this winter already, we are sharing the following information released by the Maine Department of Transportation and Marc Guimont (MDOT's Director of Maintenance and Operations), December 1997:

"PUTTING SNOW IN ROADWAY IS ILLEGAL AND UNSAFE"

"As you are clearing your driveway after the next snowstorm, the Maine Department of Transportation wants you to remember that it's unsafe and illegal to dump the snow into the road for the State or local snowplow to move for you."

Despite State statute found in 29A MRSA § 2396, "State and municipal snowplows routinely encounter situations where someone has plowed, snow blown, or even shoveled snow from a driveway into the road instead of disposing of it safely and properly."

"The law making those actions illegal was passed to protect the driving public. Drivers encountering snow plowed from a driveway onto an otherwise clear or lightly-covered roadway stand a good chance of losing control of their vehicles when they hit the accumulated snow. Snow pushed, blown or thrown from a driveway could lead to an accident that puts someone in the hospital, or worse."

State and municipal departments have the option of asking for State and local police assistance if they are constantly dealing with snow deposited into the roadway and over culverts. However, we would rather remind people about the serious problem that this causes before an accident occurs. Therefore, as you clean snow from your driveway, please be sure to remove any snow pushed into the roadway and please do not plow over the end of culverts. Thank you for your cooperation.

SIDNEY, MAINE

Town of Sidney Mailbox Policy for Sidney Roads Adopted by the Board of Selectmen February 23, 2015

For convenience and practicality, mailbox installations have been allowed within the right-of-way of Sidney's roads; however it is important to recognize that such installations have two very important conditions:

- The mailbox must be installed in accordance with applicable standards to ensure that mail can be delivered and that the mailbox does not create an obstacle or safety hazard to those that use or maintain the highway, and
- The mailbox is installed entirely at the owner's risk. In other words, if the mailbox incurs damage during any sort of highway operations or maintenance, the property owner is not entitled to replacement or compensation. In fact, if the mailbox was not installed in accordance with the applicable standards as stated above, the owner may even be held liable for injuries or damages that may have been incurred as a result.

Mailbox Design

Mailbox design and installation standards are available from several sources, and mailbox owners are expected to consult this information prior to undertaking any mailbox installation or replacement. The following standards have nationwide relevance and were developed in cooperation with one another:

- The United States Postal Service (USPS) Mailbox Guidelines. The USPS defines the standards for mailbox construction, as well as the placement tolerance that must be met to accommodate postal operations. Specifics may be obtained from the local post office or online at: <https://www.usps.com/manage/known-mailbox-guidelines.htm>
- American Association of State Highway and Transportation Officials (AASHTO) Roadside Design Guide. The AASHTO Roadside Design Guide, Chapter 11: *Erecting Mailboxes on Streets and Highways* deals with the safety and construction of privately owned mailboxes, mailbox supports, and mailbox turnout designs and is less focused on postal operations. This publication may be obtained online through the AASHTO Bookstore at: https://bookstore.transportation.org/item_details.aspx?id=1807

The Town of Sidney has developed this policy to promote compliance with these national standards and to help further clarify the expectations and responsibilities of Sidney mailbox owners to improve the safety of our roads and highways. The following pages further specify the details associated with the mailbox height, location, offset, and post type to minimize the potential hazards associated with mailbox installations and to reduce the opportunities for damage to mailboxes.

Mailbox Installation Standards

- **General Location:** Whenever possible, mailboxes should be located after the driveway opening. This location placement improves visibility, minimizes the amount of snow that comes off of the snow plow, and improves the approach for the mail carrier. The diagram below further clarifies this preferred placement:

- **Mailbox Support Design:** It is best to use an extended arm type of post with a free-swinging suspended mailbox. This allows snowplows to sweep near or under boxes without damage to supports and provides easy access to the boxes by carrier and customers. The following picture shows a free-swinging suspended mailbox:

- **Offset:** Mailboxes should be set back from the edge of the shoulder – regardless of whether the shoulder is gravel or paved. In other words, the face of the mailbox should be at least **one foot (1')** back from the edge of the normally plowed surface of the highway or the face of curb. Greater offset distances are encouraged whenever possible to allow the mail carrier to get further out of traffic and to further minimize potential damage to the mailbox. The following picture shows a mailbox with a reasonable offset:

- **Height:** According to USPS standards, a mailbox must be installed with the bottom of the mailbox located between 41" and 45" high above the surface of the highway shoulder. The Sidney Public Works Director recommends that this height be closer to the 45" measurement to minimize conflict with the height of the plow truck wing when snow is being pushed back during, or between, winter storms. The following picture further clarifies the height considerations:

- **Post Size, Type and Embedment:** Mailbox posts must be sturdy enough to hold up the mailbox in all types of weather conditions, however they cannot be so rugged that they present a hazard to vehicles that inadvertently leave the road. If a mailbox support is struck by a vehicle, it must easily break away. Therefore, the following types of posts are deemed acceptable:
 - **4" x 4" wooden posts** embedded 2 feet into the ground. Larger wooden posts may be used only if the post is drilled through with an appropriate spade bit to create a shear plane that is no higher than 6" above the surface of the surrounding ground. The number and size of the drilled holes depends upon what is necessary to bring the cross-section of the larger post down to the equivalent cross-sectional area of a standard 4" x 4" post. (MaineDOT Standard Specification 606.06)
 - **1" to 2" round diameter steel or aluminum pipe or standard U-channel post** embedded 2 feet into the ground.
 - Unacceptable mailbox supports include: anything that is filled with concrete, masonry and stone structures, heavy steel structures, and most objects that were intended for other uses (e.g. antique plows, I-beams, and various other household tools and objects).

NOTICE: Mailboxes, attachments or support systems not consistent with this policy are considered "Deadly Fixed Objects" (also known as "DFOs") and are in violation of 23 MRSA §1401-A. As such, when these installations are recognized by the Sidney Road Commissioners, the owner will be informed of the hazard and immediate removal will be requested. If the property owner does not comply with this request, the Sidney Road Commissioners may elect to have the installation removed and seek reimbursement from the property owner for all costs incurred.

This "Mailbox Policy for Sidney Roads" is hereby adopted by the Sidney Board of Selectmen to be effective immediately upon signing and will remain in effect until revoked or amended.

Given unto our hands this the 23 day of February, 2015.

Dear Citizens of the Town of Sidney:

Looking back at 2015 I want you to know that it has been a busy year for your Schools. These Schools are safe places, filled with wonderful staff working hard to prepare your children to be successful in life after high school wherever their paths may lead them. We work hard to have your children proficient in and having completed graduation requirements in eight curriculum areas (English Language Arts, Mathematics, Science and Technology, Social Studies, Visual and Performing Arts, Health and Physical Education, World Languages, and Career and Educational Development), and also that they have become Clear and Effective Communicators, Self-Directed and Lifelong Learners, Creative and Practical Problem Solvers, Responsible and Involved Citizens, and Integrative and Informed Thinkers. And something to be proud of the 2015 Messalonskee High School Graduation rate was 92%, while our drop out rate was only 1.2%! These are some of the best results in Maine!

While the work of educating your children remains our core focus, my message this year is more about some of the challenges that RSU 18 faces. These challenges: increasing costs of educating students, receiving less funding for education from the state based upon how the funding formula works, slowly dropping student enrollments, and needing investments in our schools' facilities to keep them in good shape - schools that were built for larger student enrollments. These issues are difficult conundrums to solve and while not new, the RSU 18 Board of Directors is actively working on ways to address these challenges.

Education Funding & Spending in RSU 18. The cost of educating a student in RSU18 for 2015-16 was \$11,362 and is among the lowest per student cost in Central Maine. Looking at 2013-14 actual spending, Maine's per student spending was \$12,056, while for RSU 18, spending was only \$10,257 (\$ 1,799 less) per student and among the lowest in Central Maine. Even though RSU 18 per student costs are some of the lowest locally and across the state, the challenge is that RSU 18 now pays a larger share of the per student cost locally based upon how the Maine Educational Funding Formula works. So while RSU 18's budget is only up 2.74% from the budget of five years ago, educational revenues from the state have dropped by \$3.35 million (-21%). Rising property values in RSU 18 relative to other parts of Maine, coupled with a slowly declining student enrollment, are the principle reasons for this funding shift from the state. The RSU 18 Board of Directors is actively engaging with our communities to hear input in order to develop fiscally responsible school budgets while still providing for a quality education system.

Enrollments and Our Schools. This past July an enrollment study was completed and projected that in 2025 student enrollments are to be in the 2500-2600 range, down from 3,312 students in 2009, with our current enrollment being 2,906 as of October 1, 2015. Our schools are sized for a student enrollment of roughly 3,400 students. Messalonskee Middle School, our newest school turns 15 years old next year, and the "new" China Primary School is now 35 years old! Our schools are aging

"Proudly serving the children in the Belgrade and China Lakes Regions."
Belgrade - China - Oakland - Rome - Sidney

and are in need of repair to keep them in good shape, while they are also sized for a larger student population than we currently have (or are projected to have). Given these difficult budget times, it is a struggle to put adequate funding into RSU 18 spending plans to take care of this aging infrastructure!

Your RSU 18 Board of Directors is addressing this issue and in August formed a 30 member community led Facilities Study Committee co-chaired by Richard Labelle of Rome and Mike Tracy of Oakland. The Board charged them with taking a comprehensive look at our schools and the issues we face, asking them to bring specific recommendations back to the RSU 18 Board of Directors. This group is now hard at work, and it is hard work, and expectations are for the Committee's recommendations to be presented to the RSU 18 Board later this year. Solving RSU 18's facility issues requires new and creative thinking if we are to continue offering the communities of RSU 18 a high quality, cost effective, educational system. There is still much work to do here, and you will be hearing more about this work as time progresses.

Your Board of Directors is actively working on the challenges facing RSU 18. They are an active, capable, and dedicated Board, whose service directly benefits the towns of Belgrade, China, Oakland, Rome, and Sidney. They do a wonderful job, and if you are out and about and happen to see them, please remember to thank them for their many hours of service on your behalf.

Thank you for the opportunity to serve you.

Sincerely,

Gary N. Smith

The Kennebec County Sheriff's Office experienced many changes in 2015. Former Sheriff Liberty accepted a position at the Maine State Prison. We appreciate his 29 years of service and wish him the best. As an agency we will continue to offer the same quality service as has been provided in the past. Those services include the Law Enforcement Division, Corrections' Services, Civil Process, Court Security and Transport Division. We provide many regional assets to our communities including Drug Investigations, K-9, Dive Team, Sex Offender Registry, Veterans Advocacy, Accident Reconstruction and the Special Response Team.

In 2015 nineteen Deputy Sheriffs serving in the Law Enforcement Division both in full-time and part-time capacity responded to over 18,000 calls for service. There were 44,674 service entries into our data base. As a result deputies made 922 arrests, issued 722 traffic summonses, and responded to 580 motor vehicle accidents. Deputy Sheriffs also responded to 566 alarms, 128 domestic disturbances, and assisted other agencies 687 times. Deputies and Detectives made 934 drug seizures, of which 852 involved cocaine, crack cocaine, heroin, or other opiates.

Our Civil Process deputies serve documents from a number of legal agencies, state agencies, lawyer's offices and other entities. In 2015, the four deputies served 7,826 documents or legal papers to the citizens of Kennebec County.

During the past year, our Correctional Facility managed 3,438 inmates, 110 more than last year. The offenses committed by defendants included everything from Burglaries to Homicides. Substance abuse and the proper treatment of citizens with mental illness continue to be two primary concerns at the Correctional Facility. With the help from many members of the Kennebec County delegation, we were able to secure funding for CARA (Criminogenic Addiction Recovery Academy) Program within the State biannual budget. CARA was delayed for several months because of the long delay in financing. We were still able to complete five CARA program courses reaching a total of 29 inmates with treatment.

Inmates at the Kennebec County Correctional Facility are asked to work and earn time off their sentences if applicable. Inmates who are considered to be a risk to the community work inside the facility cleaning and cooking, while others are supervised on outside projects. For every two days worked, one day is reduced from their sentence, resulting in a \$496,467 bed day savings to the citizens of Kennebec County. Throughout 2015, inmates worked 8,681 community service hours, valued at approximately \$65,102. Our inmates raised 55,225 pounds of produce for the inmate kitchen, area food pantries, churches, homeless shelters, schools and elder programs in 2015.
